1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a resident and consumer of Tega Cay and will be directly affected by this increase. I belief an increase of this magnitude is completely unnecessary. If Tega Cay needs more money than we need to be more conservative with spending, vs demanding more from its residents. (We should have the option of an additional water meter so we are not penalized for making our yards look nice, with out the consumer having to pay for the meter.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

My type of work will prohibit such actions.
